GUIDELINES FOR TEMPORARY STRUCTURES

- Tents and air supported structures shall comply with the requirements of NFPA 1 2015ed Chapter 25
- All structures must be accessible by fire equipment. Must be structurally stable and flame resistant.
- There must be separate tents for cooking and dining.
- Over 100 people-Emergency lighting must be provided.
- Fire extinguishers (minimum size 2A10BC) must be provided for each tent, every 75ft of travel. Each fire extinguisher shall have a current inspection and certification tag by a fire extinguisher company.
- If deep frying-A Class K fire extinguisher meeting the above requirements must be provided.
- Heat producing appliances shall not sit on combustible surfaces (tables, saw horses, etc.)
- Electrical connections shall be only approved main disconnect panels complete with circuit breakers and a limited number of receptacles (both 220 and 120 volts) available from the City Public Works Dept.
- Extension cords (temporary wiring) shall comply with National Electrical Code 2014ed.
- Each extension cord shall be plugged directly into an approved receptacle and shall, except for approved multiplying extension cords, serve only one appliance or fixture.
- Extension cords shall be in good condition without splices, deterioration, or damage.
- Extension cords shall be of grounded type when servicing grounded appliances or fixtures.
- Ground fault protection shall be provided to supply temporary power to equipment being used by personnel.
- Plans and necessary applications shall be submitted to the building department for electrical or gas installation. Permits shall be issued only to licensed contractors and limited to one of each per event.
- One EMS unit and one Fire Inspector may be required on site when 1,000 or more people are expected to attend. Costs for these services will be billed to the sponsoring organization or promoter.

A map must be provided denoting all of the above referenced areas of activity. All temporary structures and electrical supplies must be in accordance with the City of St. Pete Beach guidelines accompanying this application.

DO YOU HAVE PROOF OF LIABILITY INSURANCE FOR THIS EVENT? Yes No

If this event is to be held on Public property, the City may require that a liability bond be posted to insure that no damage is done; the amount of which is to be determined by the City's Risk Management Officer according to the intensity of the event.

I HEREBY CERTIFY THAT I/WE WILL BE RESPONSIBLE FOR THE PRESERVATION, SANITATION, AND CLEANUP OF THE AREAS USED FOR THE EVENT. ADDITIONALLY, I/WE CERTIFY THAT THERE ARE NO MISREPRESENTATION IN THE FOREGOING STATEMENTS AND ANSWERS.
