

LOWERING MEDICATION COSTS FOR THOSE WITHOUT COVERAGE

EXPRESS SCRIPTS

Parachute RxSM

The Coronavirus (COVID-19) pandemic brings uncertainty for all, especially for those who don't have health benefits. To help you and your loved ones, Express Scripts, a health services division of Cigna, is offering **Express Scripts Parachute RxSM**. This new program is designed to help those who are uninsured pay less for their prescription medications.

How Parachute Rx works.

Parachute Rx is a program that helps lower your out-of-pocket medication costs. It's not health insurance, it's only available for a limited time and **there's no enrollment or cost** to participate.*

There are thousands of commonly used prescription medications available through Parachute Rx. They're used to treat diabetes, heart disease, pulmonary and mental health conditions.

Medications are available through home delivery from Express Scripts Pharmacy[®] or at one of 50,000+ participating retail pharmacies.

Go to express-scripts.com/parachuterx to learn more.

Save money on your prescriptions.

- › Pay **\$25 or less** out-of-pocket for a 30-day supply of generics.
- › Or pay **\$75 or less** out-of-pocket for a 30-day supply for select brand-name medications.

Two easy ways to start saving.

1. Go to express-scripts.com/parachuterx. Or,
2. Ask your local pharmacist if Parachute Rx discounts are available for your prescription.

Still have questions? Call **877.644.0212** (toll-free). Customer service representatives are available 7 days a week, 8:00 am-9:00 pm EST.

* **This is not health insurance.** Express Scripts Parachute Rx is administered by Inside Rx, a subsidiary of Express Scripts specializing in prescription drug discount programs for self-paying consumers. To learn more and see important terms and conditions to participate, go to express-scripts.com/parachuterx.
